

# Parker Sports Program

**\*\*\*PLEASE READ\*\*\***

Dear Parents,

## Fall Sports

### 5-8th grade Fall Sports

*Mondays, Tuesdays, and Thursdays from 3:45-4:45.* Students for the Fall Season will be a part of a Friendship League and have the opportunity to be on Parker's Soccer Team.

### Parker's Soccer Team

The soccer team will practice on all 3 days. There will be 4-6 competitive games against other schools during the season. Students who participate in all practices will have the chance to participate in the games. Students with unexcused missed practices can come to games to support the team.

In order to build our team and become more skilled, we now have an Assistant Soccer Coach, Tamara Shoebridge. Tamara has a history of coaching, and will be a great addition to the team.

### Soccer Team Pre-Season practice

***Wednesday, September 3rd from 10am-12noon.*** This practice will give us a chance to discuss the expectations of a team member and get a head start on our soccer skills.

**Soccer meeting:** *Wednesday, August 27th at 5:10, before the Back to School Picnic.*

We will hold a short soccer meeting with students and parents to discuss team participation, essential equipment, and transportation to games. Parents: If you your child wants to participate in Fall Sports and you cannot attend this meeting please contact me at [ddemaria99@gmail.com](mailto:ddemaria99@gmail.com) Your help makes it all possible! All students are invited to practice on any of the practice days, and may choose not to participate in the games. I will need to know in advance who will be participating as a team member.

### Cross Country

5-8th grade Fall Sports will host two one-mile cross-country meets on Parker's trails and have the opportunity to compete against other schools. We will be practicing on our trails to train for the meets.

Darcy DeMaria,  
Physical Education Teacher and Coach
